

## M.Hassan Zaheer

Data Scientist

### How to reach me:

**Primary Cell:**

0348-0236400

**Secondary Cell:**

0333-2396938

**Email:**

mhassanzaheer@gmail.com

**Linkedin:**

@mhassan-zaheer

**Address:**

Amina square, Garden East,  
Karachi

### Professional Skills

Flutter App Development,  
API Integration, Firebase, Flask,  
C#, JavaScript, HTML/CSS,  
Python, SQL, Data Scraping,  
Graphic designing Automation,  
Machine learning, Programming,  
Data Modeling, Client Handling,  
Data Analysis, Data  
Management, Data Analytics,  
Data Visualization · Data  
Science, Project Management.

### Personal Profile

Data Scientist with a BSCS degree and two years of experience in the relevant field. Skilled in machine learning, data analysis, automation and Power BI dashboarding. Seeking to apply my expertise and creativity in the computer science Field.

### Career Summary

**Senior Analyst**

Dec 2021 - Present

**EY (Ernest & Young)**

- Efficient production planning and Automation of a Production Plant.
- Developed and deployed finance models to optimize business processes.
- Designed interactive dashboards on Power BI
- Developed user-friendly interfaces.

**Data Analyst Intern**

Feb 2021 - Aug 2021

**Frontier Technology Institute**

- Web scraping and product development.
- Worked on some concepts which include:
  - Data pre-processing
  - Data Analytics
  - Automation
  - API Integration
  - Freelancing

### Educational Training

**PAF - KIET**

BS-CS, Jan 2019 - Jan 2023

- CGPA: 3.73 / 4.00
- Electives: Machine Learning, Information Security
- Awarded the Directors Honor Award for academic excellence.
- Developed an app for medical diagnosis as a final year project.
  - Used ML and DL models to predict based on the input data.
  - Integrated APIs from various sources.
  - Hosted the model on the cloud.

### Certifications

**Flutter App Development**

Jawan Pakistan

Aug. 2021- Mar. 2021

**Web Development**

Skill Development Council

Feb. 2021- Aug. 2021

**Graphic Animation Program**

Skill Development Council

Sept. 2020- Apr. 2021

**Data Science**

Frontier Technology Institute

Jan. 2021- Jun. 2021

**Software engineering**

NED University

Nov. 2019- May. 2020
